---

## **WHAT IS CREDIT RECOVERY?**

Credit Recovery is an initiative to allow middle or high school students who are deficient in high school credits/courses or seeking to take a course in lieu of direct instruction toward their high school graduation requirements.

## **WHEN DO STUDENTS START THE PROGRAM?**

Credit Recovery is dependent on the student's school districts approval.

## **WHAT COURSES DO STUDENTS HAVE TO TAKE?**

Courses are selected based on the students' academic Counselor referral.

## **HOW DO STUDENTS COMPLETE COURSEWORK?**

Coursework is completed using the home school's online course system or QCUL's Plato Learning Environment.

## **HOW DO YOU ENROLL?**
